

KOSMOSAU VAGE

Technical Data Sheet

Item name	Sideboard Crystal
SKU	STCO-WO390
Item description	High-value sideboard featuring a structure in painted solid wood finished with a desert sand-based mixture to provide a unique texture and brilliance. The surface is embellished with a silvered metal grid studded with Swarovski crystals, while the application of quartzes, agates, and Murano glass beads creates a material and three-dimensional texture. A bold design piece, ideal for formal living rooms, luxury dining rooms, or dramatic entryways, where the intricate craftsmanship of the facade can reflect the light.
Care & Safety	Hand-cleaning only is recommended. Intended exclusively for decorative and interior design use.
Dimensions (LxWxH in cm, Weight in kg)	106x50x83 - 45
Colours	Orange, Multicolor
Materials	Solid wood, semi-precious stones, crystals
Country of origin, year of production	Italy, 20th century
HS Code	9403.60
